

AirTV™ Player

Cut the cord.
Keep the TV experience.

Watch Sling TV®, Netflix, local channels* and more. All together in one experience. With one easy-to-use remote.

FEATURES >>>

Your Favorite Entertainment

- Access shows and movies from Sling TV, Netflix and more* in one integrated guide experience
- Watch local HD sports, news and broadcast channels* with no monthly fees or contract
- Discover apps, games, music and more in the Google Play Store

Easy-to-Use Remote

- One Bluetooth remote to control your AirTV Player, TV and sound system
- Voice search and one-touch access to Netflix and Google

And More ...

- Supports 1080p HD and 4K Ultra HD
- Built-in WiFi and remote finder
- Compatible with most Android Bluetooth devices such as headsets, headphones and game controllers

*Local channels require an AirTV Adapter and OTA antenna. OTA antenna sold separately. AirTV Adapter sold together or separately depending on model. Programming from Sling TV and Netflix requires a subscription.

AirTV makes it easy to watch local sports, news and broadcast channels with no monthly fees. Just add an AirTV Adapter and antenna.*

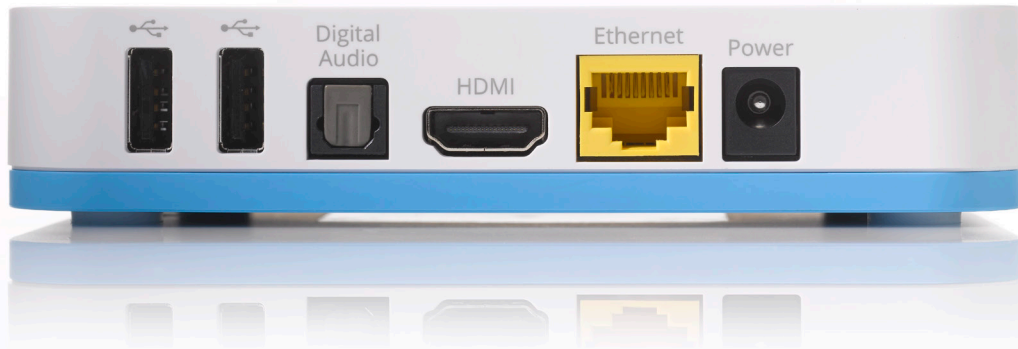

What's included:

- AirTV Player and power supply
- AirTV Adapter* (for local channels)
- AirTV Remote
- HDMI cable
- USB extension cable

What you'll need:

- Internet connection
- HDMI-enabled TV
- OTA Antenna* (for local channels)
